Wet and dry vacuum cleaners

WD 3.500 P

Details

Description

Compact, practical and versatile: The new Comfort Line entry class is equipped with impressive new features that meet the highest standards. These include the blower function, the large container as well as the convenient parking position and the easy stowage of suction tube and floor nozzle. The special cartridge filter makes wet and dry vacuuming possible without changing the filter. Power cable and other accessories are quickly stowed in a minimum of space in the storage system.

The WD 3.500 P features also a power outlet with automatic on/ off control plus adapter for applications with power tools. The dust that occurs when drilling, sawing or sanding is extracted directly at source.

Application

Suitable for continuous use in vehicle interior, house and yard as well as outdoors.

Provides also workshop and renovating activities thanks to additional power outlet.

Also the ideal help for effective vacuuming of water.

Features & Benefits

Blower function

Ergonomic carrying handle

Compact design

Parking position

Practical accessory holder on the machine

For easy container opening and closing.
